Source Traceability

Source	Use in this policy
USBA Model Policy FHD, modified 12 July 2012	Model retained as the controlling policy for permitting students to be taken into custody pursuant to court order, arrest law, probation authority, law enforcement authority, or authorized child-safety agency action.
MSD Policy 6430, approved 2024	Inserted as FHD-1 through FHD-3 to preserve local student-access, court official, SRO/law enforcement, DCFS, parent-notice, identification, and investigation-log procedures.

Disposition Note

USBA FHD is short, so the more detailed Millard 6430 agency-access procedures add significant local operating value and were inserted as FHD-1 through FHD-3.
