Utah Admin. Rules R277-407-13(4) (December 8, 2025)

Fee Waivers for School Trips—

A "school trip" is a school-sponsored travel activity of two or more nights that requires a student to pay a fee for participation in the activity, except it does not include such a travel activity when the travel is associated with an in-state activity sponsored by the Utah High Schools Activities Association or other association as defined in Utah Code § 53G-7-801.

Utah Code § 53G-7-504(1)(b) (2026)

Utah Code § 53G-7-801(1) (2023)

An "action plan" is a written agreement between a principal and a student that outlines specific, reasonable steps the student will take to contribute to the school or community in exchange for a fee waiver for a second school trip.

Utah Code § 53G-7-504(1)(a) (2026)

A fee waiver may not be granted to a student for more than two school trips per year. The limit on fee waivers for school trips does not prevent a student who receives waivers for two school trips from participating in additional school trips, but the student must pay the fees for such additional trips in order to participate.

Utah Code § 53G-7-504(2)(b)(ii), (5) (2026)

To receive a fee waiver for the second trip, the student must meet with the principal or person designated by the principal and develop an action plan that includes school-related contributions, including performing custodial work, participating in school-related service

programs, or completing other contributions that the principal or designee approves. The action plan shall match a student's abilities and availability, consider a student's individual circumstances, specify the type and duration of the contribution to the school or community, and avoid interference with a student's academic or personal responsibilities.

Utah Code § 53G-7-504(3), (4) (2026)

Fee Collection—

Students may not be involved in the collection of fees.

Utah Admin. Rules R277-407-15(1)(d) (December 8, 2025)

The school may allow a fee to be paid through an installment payment plan. However, such a plan may not be required in lieu of a fee waiver.

Utah Admin. Rules R277-407-10(5) (December 8, 2025)

The District may pursue reasonable methods of collecting fees. However, the District may not, as a result of unpaid fees:

1. Exclude a student from school or from an activity, class, or program during the regular

school day;

2. Refuse to issue a course grade; or

3. Withhold official student records, including written or electronic grade reports, class

schedules, diplomas, or transcripts.

Utah Admin. Rules R277-407-6(8)(a) (December 8, 2025)

Utah Admin. Rules R277-407-9(10) (December 8, 2025)

If the school has been provided with a copy of a court order allocating responsibility for school fees between a student's parents before the day on which the school first issues a bill for a school fee, the school shall, upon request from either parent, separately bill each parent for the share of the fee that the parent is to pay

under the court order. Each parent is liable only for the share of the fee the parent is required to pay under the court order, and regardless of whether the court

order is provided to the school before or after the bill is issued for the fee, the school may not make a negative credit report relating to a fee about a parent who has paid the share of the fee required by the court order. The school may bill a parent for that parent's share of the fee even though the other parent has obtained a full or partial fee waiver.

Utah Code § 15-4-6.7 (2024)

Option for Graduation Credit Without Fees—

The District shall ensure that each school that awards credit towards graduation provides at least one option for each graduation requirement that fulfills the graduation requirement and does not require the payment or waiver of any fee. However, the District is not required to offer, without fee or waiver, any specific activity, course, or program or a student's preferred activity, course, or program.

Fees for Scholarship Students—

If a District school is approved as eligible to provide services to Utah Fits All Scholarship students and offers classes, programs, or services to scholarship students that include expenses beyond tuition, the District shall establish a transparent and fair fee structure for those expenses. In establishing the scholarship student fee structure, the District is not required to follow the process for establishing fees set forth above in Authorizing Fees and Standards for Fees and the fees are not subject to waiver. However, the scholarship student fees must be based on the actual costs of providing the services or items covered by the scholarship and be consistent with the fees charged to enrolled students for the same services or items, if applicable. The scholarship student fee schedule must also itemize all charges and fees, explain the basis for each fee, and be updated annually.

USBA Model Policy FI, modified 15 June 2026	Model retained as the controlling fee, fine, charge, fee waiver, school trip, collection, staff training, reporting, and required-form framework.
MSD Policy 2100, approved 2025	Reviewed against the updated USBA FI model. Much of the local policy is already carried forward by USBA; unique local activity-fee disclosure and implementation value was inserted in FI-1 and FI-2.

Source	Use in this policy
MSD School Transparency Packet, 2024	Inserted as FI-1 and FI-2 to preserve activity full-disclosure practices, optional-cost controls, and school-office collection coordination.

Disposition Note

USBA FI remains controlling because it is the most current fee and fee waiver model. Millard language was inserted only for the local activity full-disclosure and implementation practices that add value beyond the model.
