MSD: Policy Manual Public Access and Policy Action Notice

The District policy manual and adopted Board policies are public records. The District shall make the policy manual available on the District website, and written copies of individual policies shall be made available upon request consistent with GRAMA, this policy, and any approved records fee schedule. Printed copies of the District policy manual or individual policies may also be made available for public access at the District Office or school principal offices as administratively practicable.

Summaries of Board policy action may be published through District communication channels, and summaries or appropriate District policies affecting students may be distributed with school registration materials, posted in schools, or included in student handbooks or planners as determined by the Superintendent, principal, or designee.
