MSD: Title I Parent and Family Engagement Plan

For schools operating Title I programs, the District shall maintain parent and family engagement procedures consistent with federal law, including consultation with parents of participating children, required school-level parent engagement policies, school-parent compacts, parent participation in school review and improvement, and coordination with the District's Local Education Agency plan.

Title I parent engagement shall provide full opportunities, to the extent practicable, for parents with limited English proficiency, parents of students with disabilities, and parents of migratory children. Required information, school reports, and parent notices shall be provided in an understandable and uniform format and, to the extent practicable, in a language parents understand.

The District shall involve parents in decisions about parent engagement funds where required, provide technical assistance and support to Title I schools, coordinate parent engagement strategies with other programs, and conduct an annual evaluation of the content and effectiveness of the parent engagement policy, including barriers to participation and strategies for improvement.
