Parent Information Portal

Notice of Parent Information Portal—

The Utah State Board of Education maintains a parent portal which allows parents to access school district policies and which provides resources and information for parents. The portal is accessible at this location. Each school in the District will include, in the annual notice provided to parents, information about the USBE portal and how to access the portal.

Utah Code § 53G-6-806(4) (2026)

No separate Millard local provision was inserted in this policy. Source material was reviewed and was either already carried forward by the USBA model, belongs in another more specific policy location, or no separate adopted Millard source was identified.

Source Traceability

Source	Use in this policy
2026 USBA Model Policies, GDB - Parent Information Portal.	Retained as the controlling model policy text and legal framework.
No separate adopted Millard parent information portal policy identified in the available source set.	Reviewed for unique Millard value. Local provisions were inserted only where they added implementation value and did not duplicate the USBA model.

Disposition Note

USBA GDB was retained without separate Millard insertion. No separate adopted Millard parent information portal policy was identified in the available source set. Parent-rights notice, parent access to instructional material, parent access to library information, student data protection, and parent participation provisions remain in their more specific policies.
