Child Sexual Abuse and Human Trafficking Prevention Education

Education for elementary student parents—

The District shall provide, once every three years, instruction to the parents of elementary school students in the District on (1) recognizing warning signs of a child who is being sexually abused or who is a victim or may be at risk of becoming a victim of human trafficking or commercial sexual exploitation, (2) effective, age- appropriate methods for discussing the topic of child sexual abuse with a child, and (3) resources available for victims of sexual extortion.

Utah Code § 53G-9-207(3)(a)(ii) (2026)

Parental education curriculum—

The parental instruction required under this policy shall be provided with instructional materials approved by the State Board of Education for that purpose (either those created by the State Board of Education or created by the District and approved by the State Board of Education).

Utah Code § 53G-9-207(3)(b) (2026)

Source Traceability

Source	Use in this policy
2026 USBA Model Policies, GJ - Child Sexual Abuse and Human Trafficking Prevention Education.	Retained as the controlling model policy text and legal framework.
MSD Policy 4350, Staff Conduct - Child Abuse or Neglect Reporting by School Personnel, approved 2024.	Reviewed for unique Millard value. Local provisions were inserted only where they added implementation value and did not duplicate the USBA model.

Disposition Note

USBA GJ was retained as the controlling parent education policy for child sexual abuse and human trafficking prevention education. MSD Policy 4350, approved 2024, was reviewed. GJ-1 preserves the local compliance, training coordination, and evidence-of-compliance concepts without duplicating the staff-training provisions previously preserved in DDAA.
