Request for Curricular Club for Millard High School

Request for Curricular Club at MHS: Hip-Hop Club

Millard High School is seeking Board approval to startup the Elevate Hip-hop Dance Club for the 2020-2021 school year. This will be an all-inclusive club that will include every and any student that wants to be a part of the program. Braigon Penney, a Sophomore at Millard High School, is heading up this idea. Brittney Monroe, an Instructional Assistant at Millard High School, is willing to be the advisor for the club. The members of the Club would practice each day after school.

The cost would be \$70 from each individual for costumes. They would hope to do fund raisers to help with the costs. The Club would also seek to perform occasionally at halftime, for school games, after the drill team has performed.

These are costly, and yet are entered into at the discretion of parents and students.
